INTERVIEW SUMMARY

Sir:

Pursuant to the requirements of 37 C.F.R. § 1.133 and MPEP § 713.04, Applicant submits this Interview Summary. This Interview Summary is a summary of the telephonic interview between Examiner Vu, Danny Grant, and John C. Alemanni, Assignee's representative, on September 9, 2005. Assignee respectfully requests that this Interview Summary be entered into the record of the above-referenced application.

During the interview: (a) no exhibit was shown nor any demonstration conducted, (b) the rejection of Claim 46 was discussed.

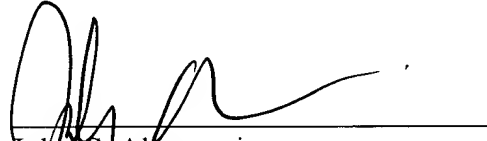

During the interview, Mr. Alemanni argues that Claim 46 is allowable over U.S. Patent No. 6,349,301 to Mitchell et al. (hereinafter "Mitchell") in view of U.S. Patent No. 6,546,390 to Pollack, et al. (hereinafter "Pollack"). The Examiner cited page 18, lines 24-33 as potentially helpful to further prosecution. Assignee's representative agreed to take that under consideration. Assignee's representative also stated that he would submit an amendment and remarks in response to the Office Action.
